Statement from Illinois Chamber of Commerce President & CEO Todd Maisch on the IEPA Volkswagen Settlement Plan:

“Illinois headquarters many of our nation’s top manufacturers that create vast amounts of jobs across the state. The Illinois Chamber supports the Illinois Environmental Protection Agency’s commitment to ensuring sufficient money in the plan goes to clean vehicles and clean locomotives while offering employers of all kinds the ability to access the plan.

Investing in Illinois’ heavy industry, infrastructure and business community is a chance to maximize our state’s economic growth.

Our state faces many economic and environmental challenges, but we support the balanced approach of policy that encourages business growth with smart environmental investment.”
