Illinois Chamber of Commerce statement on Illinois Supreme Court's ruling on *Rosenbach v. Six Flags*

Chicago (January 25, 2019) — The Illinois Chamber of Commerce is disappointed with the Illinois Supreme Court's ruling today in *Rosenbach v. Six Flags* reversing the Illinois Appellate Court's ruling," said Illinois Chamber of Commerce President and CEO Todd Maisch. "We fear that today's decision will open the floodgates for future litigation at the expense of Illinois' commercial health."
