Executive Director of the Chamber’s Tech Council Tyler Diers joined Governor JB Pritzker, legislators, business and labor leaders, trade groups and existing data center stakeholders to promote Illinois’ new tax incentive for data center construction at Digital Realty in Chicago on October 7.
Revenue raised this summer is already having an impact and the plan shows continued and significant investment is under way.

—Todd Maisch on Gov. Pritzker’s release of Rebuild Illinois projects, Jacksonville Journal Courier

**RETURN OF THE TWO MINUTE DRILL**

Illinois Chamber President and CEO Todd Maisch gave a preview of some issues the Chamber is monitoring in the 2019 Veto Session, including taxes, data centers, cannabis and energy in one of the last session Two Minute Drills of 2019.

Watch the latest Two Minute Drill here.

**IERG HOLDS ENVIRONMENTAL BASICS CONFERENCE**

The Illinois Environmental Regulatory Group (IERG) held its Environmental Basics Conference on October 9 and 10, at Erin’s Pavilion in Springfield. This year’s conference featured a range of guest speakers from agency directors to environmental permit writers in order to give attendees a broader understanding of government agency structure, understanding of programs offered, and completing necessary steps to obtain permits. Attendees included a wide range of environmental professionals from businesses throughout the state.

At left: Director of Illinois Department of Natural Resources Colleen Calahan addresses the group.
The trip was part of the Chamber’s participation in the Professional Fellows Program via the U.S. State Department as part of the American Council of Young Political Leaders (ACYPL).

GERRITSEN MEETS WITH BUSINESS LEADERS IN VIETNAM

Chamber Chief Operating Officer Candace Gerritsen traveled to Hanoi and Ho Chi Minh City in Vietnam to meet with business people, government leaders and agencies and business organizations related to Small and Medium Enterprises this October. The trip was part of the Chamber’s participation in the Professional Fellows Program via the U.S. State Department as part of the American Council of Young Political Leaders (ACYPL). The ACYPL is part of the of The White House Young Southeast Asian Leaders Initiative (YSEALI). This exchange is made possible through a cooperative agreement from the U.S. Department of State’s Bureau of Educational and Cultural Affairs.

Gerritsen at the U.S. Consulate General office in Ho Chi Minh. This is in their American Center which Vietnamese Students can come and study, have access to books and technology and apply to American Universities.
It’s one of those issues that could be groundbreaking, and we wanted to make sure that we got it right.

— Tyler Diers on Artificial Intelligence, TechTarget

DIERS PARTICIPATES IN CANNABIS PANEL

Chamber Director of Legislative Relations Tyler Diers participated in a panel on marijuana in the workplace at the Tax Slayer Center in Moline on October 3.

Illinois Chamber Director of Legislative Relations Tyler Diers, State Rep. Mike Halpin, (D- Rock Island), Pappas O’Connor, P.C. Partner Matthew Pappas and Quad Cities Chamber Vice President of Business Services Julie Forsythe

MAISCH GIVES MEDIA AVAILABILITY ON CEJA

Illinois Chamber President and CEO Todd Maisch discussed energy issues with Cole Henke from WCIA and other reporters on stories covering the Clean Energy Jobs Act (CEJA) on October 28.

CHAMBER PUBLISHES CANNABIS GUIDE

The Illinois Chamber of Commerce Resource Guide for Recreational and Medical Marijuana in Illinois is now live on the Chamber website. The guide includes a copy of the Act, along with blog articles, frequently asked questions and a fact sheet for Illinois businesses. A sample drug policy/reasonable suspicion checklist is also available for purchase from the guide.

Read full cannabis guide here.
The notion that you can just throw up, what, a tent in a rural area, and all of a sudden start sterilizing your equipment? That’s just nonsensical.

— Todd Maisch on the effective ban on sterilization facilities for health care products by requiring siting of facilities only in rural areas after years of siting, permitting and construction.

STONEWATER SPEAKS AT ISU REGULATORY POLICY STUDIES CONFERENCE

Executive Director of the Chamber Energy Council Katie Stonewater spoke on energy proposals that have been introduced in the Illinois legislature and participated in a panel discussion at the ISU Regulatory Policy Studies Conference at the Abraham Lincoln Hotel in Springfield on October 22. Her remarks focused on the Chamber’s concerns with the Clean Energy Jobs Act and the Clean Energy Progress Act.

ICC CHAIR ZALEWSKI MEETS WITH ENERGY COUNCIL

Illinois Commerce Commission Chair Carrie Zalewski met with members at the Chamber Energy Council breakfast at the Illinois Chamber of Commerce’s Chicago office on October 9. Zalewski gave a robust presentation and talked with members one-on-one in discussion that included ICC engagement, working with the consumer community, and the ICC’s role in supporting the grid as the energy industry continues to change.
