Turkish Airlines & Illinois Chamber of Commerce Discount Airfare / Promo Code Program

Turkish Airlines is proud to partner with the Illinois Chamber of Commerce to provide Illinois Chamber members exclusive perks when flying with Turkish Airlines, the airline that flies to more countries and international destinations in the world.

Member Discount

Starting today, Turkish Airlines will offer Illinois Chamber members a discount of 5% off Economy seats, 10% on Business Class seats to Turkey and 20% on Business Class seats to destinations beyond Turkey. The discount is valid for all passengers (adults and children) in the ticket booking and can be applied towards one-way and round-trip tickets leaving from Chicago O’Hare International Airport (ORD) to Turkey and beyond from now until May 15, 2019.

Class	To Turkey	To All Turkish Airlines Network except Turkey
Economy	5%	5%
Business	10%	20%

How it works

Illinois Chamber members can send an email to ilchamber@thy.com to request a personalized promo code to enter at checkout when booking flights with Turkish Airlines. Each promo code is unique to a chamber member, so the promo code sent back must be used for the requesting member’s tickets. If multiple codes are requested, Turkish Airlines will send multiple codes.
