CHAMBER OPPOSES GRADUATED INCOME TAX

On Wednesday, April 10, Todd Maisch, president and CEO of the Illinois Chamber, testified in opposition to a proposal to amend the state’s constitution to permit a graduated income tax structure.

Watch full video here.

The Illinois Constitution currently forbids the imposition of a graduated income tax but Illinois legislators are looking to amend the constitution by raising taxes on the backs of entrepreneurs and small businesses - for the third time in nine years. The proposal, along with other legislation tied to a graduated income tax increase, was passed by the Senate on May 1.

The Illinois Chamber continues to reach out to members encouraging them to contact their state representative and ask them to VOTE NO on all legislation facilitating a graduated income tax.

To make this call to action easy, we have a ready-to-send grassroots action letter you can send to your state senator here or by sharing this link.

It is also important to follow up your letter with a call to their district or Springfield office.
FIRST ILLINOIS-AZERBAIJAN AGRICULTURE FORUM HELD IN CHICAGO

On April 3, 2019, within the framework of the inaugural Forum, the delegation headed by the minister visited AGCO GSI grain and protein facilities in Assumption and Taylorville, IL.

AGCO GSI, full-range grain, seed-processing and protein-production solutions acquainted the Azerbaijani delegation with all-encompassing manufacturing processes.

On April 4, 2019, the Illinois-Azerbaijan Agriculture Forum convened with the opening remarks by Reza Vaziri, Chairman, United States - Azerbaijan Chamber of Commerce and Laura Ortega, Executive Director, International Business Council at the Illinois Chamber of Commerce.

The United States-Azerbaijan Chamber of Commerce and Illinois Chamber of Commerce agreed to convene the next forum in 2020, Baku, Azerbaijan.
TRANSPORTATION LOBBY DAY

Illinois Chamber Infrastructure Council Executive Director Rebecca Mason lead a group of transportation industry professionals around the capitol to meet with legislators about the importance of investing in Illinois infrastructure as part of the Transportation for Illinois Coalition (TFIC) Lobby Day on April 3.

MEETING FOCUSES ON HIGHWAY CONDITIONS

Thank you to BNSF Railway for sponsoring the Infrastructure Council’s quarterly meeting on April 4. Sponsorship not only ensures the meeting can take place, but also supports the Infrastructure Council’s activities promoting the importance of transportation in Illinois throughout the year. BNSF is a vital member that operates one of the largest freight railroad networks in North America, with 32,500 miles of rail across the western two-thirds of the United States.

We appreciate Hanson Professional Services for hosting the meeting that focused on the specifics of the state’s highway conditions and a legislative update on capital discussion.

Director of Highway Project Implementation at Illinois Department of Transportation Paul Loete spoke about the condition of the state’s infrastructure and the planned transition to an asset management system for prioritizing projects.
