Association

The 2019 EDIES

Economic Development in Illinois AWARDS

Sponsored by

Nicor Gas

June 10, 2019

Dear Economic Development Leaders in Illinois:

We are pleased to announce the Illinois Chamber of Commerce is again teaming up with the Illinois Economic Development Association (IEDA) to present our 11th Annual Economic Development in Illinois Awards known as the 'Edies'. We are thankful to the Edies' generous sponsor Nicor, a company committed to economic development and attracting businesses and investment to Illinois.

For more than a decade, the Edies have honored those who imagine, design, invest, build and bring jobs, growth and prosperity to Illinois communities. The awards showcase business accomplishments that often translate into more jobs and greater economic vitality in our state. The awards are also an opportunity to obtain positive exposure for local businesses and communities that have achieved great things last year.

To showcase great projects completed in 2018 at this year's awards, we need your help.

We have a general idea of what's been created throughout Illinois, but business and economic development leaders like you know best what's happening on the ground.

This year we will award two Edies – one from a community in the Chicago Metropolitan area (Cook, DuPage, Dekalb, Grundy, Kane, Kendall, Lake, McHenry, and Will counties) and one from a community outside the Chicago Metropolitan area. The awards are not just about who created the most jobs or made the largest investment. The projects will be judged based on a mix of quantitative (total private investment, jobs created/retained, average wages) and qualitative (unique contribution, creative public/private partnership, low environmental impact) criteria. The Chamber and the IEDA understand effective projects come in all shapes and sizes and the Edies are designed to recognize projects with an impact in their communities.

Two outstanding economic development projects completed in calendar year 2018 will be given out among the following categories:

- **Manufacturing**
- **Distribution/Logistics**
- **Commercial**
- **Energy**
- **Technology**
- **Other (projects that helped transform the local economy, but simply don't fit into one category)**

The awards will be presented during the Illinois Chamber's annual meeting on Thursday, September 26, 2019 in Chicago. Winners will be notified this summer and invited to the awards banquet to be honored in-person.

Please email complete nominations by 5 p.m. CST on Friday, July 26th to:

Katie Stonewater
Illinois Chamber of Commerce
kstonewater@ilchamber.org

The nomination form and other information on the Edies (including past winners) can be found at the [Edie homepage here](#).

All submissions will be reviewed by a subcommittee of the Illinois Chamber of Commerce and the Illinois Economic Development Association.

If you have any questions regarding this awards program or process, please call Katie Stonewater (312.386.7795) at the Illinois Chamber of Commerce.

We appreciate your involvement in this event and your on-going efforts to grow Illinois' economy and its communities.

Sincerely,

Todd Maisch
President and CEO
Illinois Chamber of Commerce
