ILLINOIS CHAMBER ENDORSES GOVERNOR BRUCE RAUNER

We are proud to announce that the Illinois Chamber will endorse Bruce Rauner in the race for Illinois governor. This is the culmination of a process that began some weeks ago and as we enter the homestretch of the race is an important development. Yes, we have problems to address, but our potential to return to fiscal and economic health just needs the right policies and leadership. Bruce Rauner will provide both.

CHAMPIONS OF FREE ENTERPRISE

On Sept. 5, the Illinois Chamber released their Legislative Ratings for the 100th General Assembly. These ratings let Illinois families, small businesses, and taxpayers know if legislators voted in favor of private sector job creation and a stronger economy. We honored 34 members of the Illinois House of Representatives and 13 members of the Illinois Senate with its biennial “Champion of Free Enterprise” award, given in recognition of their support for voting to further economic opportunities for Illinoisans.
