Yet you often get so caught up in the day-to-day that you don’t focus on the BIG goals – the ones you really want to achieve. You think if you only had more resources (time, money, etc) you’d be able to achieve more.
Yet you always have resources for others when they need you. But what about when YOU need you? We often treat others better than we treat ourselves.
In this fascinating session, recovering attorney and Ironman® Finisher LeeAnn Marie Webster will share how you can use her No Regrets Formula to stop putting off the BIG goals and achieve the results you truly desire.
After this session you’ll be able to:
