

NEW LAWS FORUM | DECEMBER 2026

The New Laws Forum is dedicated to upcoming legislation and legal developments that will affect all employers in Illinois starting in 2026 and beyond. The forum will feature Illinois attorneys and experts discussing the latest changes in state laws, as well as representatives from government agencies. Additionally, a panel of Senior HR professionals will share their experiences regarding how these laws have impacted their businesses and what to expect in the future. It's already been a busy year, and more regulations are on the way.
